

A gold-colored SIM card with a black plastic cover. The card is rectangular with rounded corners. The top half is covered by the black plastic, which has a small notch on the left side. The bottom half is exposed, showing the gold-colored metal contact pads. There are several small holes and markings on the metal surface, including the text '1234 5678 9010' in the center. The card is shown at an angle, highlighting its three-dimensional shape.

KEY FEATURES
